

**The Kenton Grain Branch will be closed May 1, 2012 through May 31<sup>st</sup>, 2012** to allow for major renovations to receiving equipment in the elevator.

**No grain will be received during that period of time.**

Customers that currently have contracts scheduled to be delivered in May will have the option to change them to April delivery at no discount or penalty, or roll them into a June delivered contract as described in our company policy for rolling contracts. Please talk to your Regional Grain Merchant Lou Baughman or Branch Manager Mike MaGinn if you have May delivery contracts or have questions.

We apologize for any inconvenience this closing may cause and appreciate your patience as we make these improvements. We are confident you will agree the changes being made will improve our efficiency in serving you.

**The Arlington Grain Branch will be closed April 16<sup>th</sup> through May 14<sup>th</sup>, 2012** to allow for major renovations to the receiving equipment in the elevator.

**No grain will be received during that period of time.**

We apologize for any inconvenience this closing may cause and appreciate your patience as we make these improvements. We are confident you will agree the changes being made will improve our efficiency in serving you.
